Greetings,

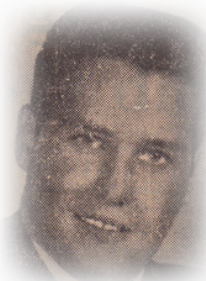

As with every year, we have much to look forward to, and much to do. The opportunities are to volunteer for activities and events is ever present, and this year is no exception. When this issue of the Newsletter is published, the annual Fish Fries will be winding down to the last one on April 3rd. This year has been another record breaking year due largely to the extensive volunteer hours expended by VVA members, as well as by our many dual VFW-VVA members.

Leading into May, please plan to attend our Second Annual Agent Orange Town Hall meeting at Northville High School on Saturday, May 9th. This should be a very informative and educational meeting to more clearly understand the effects that Agent Orange dioxins may have, not only on our veterans, but also on several future generations. Again, the need to volunteer your time for this event is requested.

Also, May is the beginning of the 11th Annual Car Shows. Although the Chapter is no longer in charge of the car shows, the VFW will require the same level of volunteerism as in previous years to make the shows the overwhelming successes they have become.

Another major chapter event is the Annual Chapter Election of Officers and Board of Directors at the General Business Meeting on April 13th. This is an excellent time for members to volunteer their time, skills, and ideas to help move the chapter forward. As for my time as the chapter president for the last two years, I want to sincerely thank each of you for the tremendous show of support I have enjoyed. I am truly humbled to have had the pleasure of leading the finest organization of veterans anywhere. THANK YOU!

Sincerely,

Ron King, President
 38th Air Rescue &
 Recovery Squadron
 Tan Son Nhut AB, RVN

Digger's Desk

BAKED OR FRIED-I COD HARDLY MAKE UP MY MIND...GROAN!

With only two Fridays left, our annual Fish Fry is as popular as ever, selling over 280 dinners two weeks in a row, never dropping below 250. Come on down and enjoy fresh cod (baked or fried) with baked potato, mac 'n cheese, french fries, cole slaw with roll and butter. The fish would be fantabulous even if I wasn't the cook. The overall success is due to so many volunteers, including the day before and after. See you there.

TIME TO STEP UP

Concluding with the Annual Membership meeting in April, nominations will be taken for officers and BOD members who will lead us into the next year of Chapter 528 business. If you want to get more involved, have someone nominate you or you may nominate yourself. Ask me and I'll nominate you.

SPORTSMAN'S RAFFLE

You have the old sales pros like Gene Spurgess (who could sell ice to an Eskimo), John Iaquina, Gary Kubik and a few others who have more than generously supported the Chapter's single biggest (by far) source of funds which is our biannual Sportsman's Raffle. For this to be successful, we need sellers to go to the various venues we have engaged that are conducive to this activity. You don't need to sell over 400-500 tickets which the above individuals have achieved.... Yes they did! How about maybe 10 tickets? Please devote at least one day of your time and you may surprise yourself. Friends and family are usually willing buyers. Yesterday, March 21, in four hours Jim Hodgson and I sold 34 tickets at Gander Mountain. It can be done. Don't leave it to the next person. Help support your Chapter.

CARCRUZ

The parking lot should begin to fill every Wednesday beginning May 13 or so and throughout the summer. Come out and enjoy the vehicles, food and refreshments.

THINK GOLF

Beginning around the first of May all VVA, AVVA, VFW and members of either Auxiliary are eligible to golf in our every Monday all members golf outing. It is a great time to relax, have some fun and laugh along with everybody. Let me know if you might be interested and I'll put you "on tour".

I'll see you at the April meeting. It's a great time to be a Veteran.

The Cost of Unbelief

TGIF (Today God is First) Volume 2 by Os Hillman

"And without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him" (Heb 11:5-6).

How is your faith quotient? On a scale of 1 to 10 where would you rank yourself? Everyday, I marvel at the faith most of us exercise without even thinking about it.

We drive our cars 60-70 miles per hour with an oncoming car doing the same with only a white line and six to eight feet separating us. We place our faith that every car will not cross into our lane. We fly on airplanes that take us over oceans, trusting the pilots with our very lives. We ride on thrilling amusement rides that take us several stories into the air and travel fifty to seventy miles per hour down a winding slope. We trust the operators of that ride with our own mortality.

There is a great irony in the fact that we can place our faith in such things but cannot place our faith in the hands of our Creator. God got angry with one of his priests named Zechariah when he questioned his angelic messenger about his wife becoming pregnant with John the Baptist.

"Zechariah asked the angel, 'How can I be sure of this? I am an old man and my wife is well along in years.' The angel answered, 'I am Gabriel. I stand in the presence of God, and I have been sent to speak to you and to tell you this good news. And now you will be silent and not able to speak until the day this happens, because you did not believe my words, which will come true at their proper time'" (Luke 1:8-20).

Zechariah was struck mute because of his unbelief for nine months until the birth of John the Baptist. What consequence have you suffered from a lack of faith? Jesus is always looking for faith on the earth. Is there an area in your life where you have not been able to trust God? Why not repent of your

unbelief and place your faith totally in His hands today?

Chaplain's notes: I picked this "right on" article above, because earlier in the week, I was asking the same thing as Os Hillman asked ("Why not repent of your unbelief and place your faith totally in His hands today?"). It is so true that we all have faith in our driving, traveling, etc., but yet there is a very good possibility that we could die instantly from an accident, heart attack, stroke, etc. If you haven't made the decision to accept Christ as your Savior (the only way you can experience eternal life according to God's Word, the Bible), you will not have that opportunity to be assured of your salvation that will "seal" your presence in Heaven. What assurance do you have that you will experience heaven? It has nothing to do with how "good" of a person you are, it has to do with God's GRACE that He has given us, but you need to open up the door to your heart/soul, and ask Him to accept you, even with our sinful nature. He loves you and wants every one of you to be a part of His kingdom. If any of you would like to discuss this with me, please contact me. Time is marching on!!

The Bear's Den

It was a good March. Good corned beef and cabbage. Ran out before 5 PM so we will have at least 350 pounds next year. Thanks to all who enjoyed the best. The crew consisted on the best cooks ever (Bob Montieth, Bill and Denny Donahue). We also had great help of the floor in the kitchen and in the publicity department. One of the members ended up at Post 32 and said that it was not as good and cost more.

Have you brought in a new member lately??? I finally got my feet wet selling sportsman tickets away from the post. Digger and Hodgson did well in the morning. Hodgson stayed on with me until the end on Saturday. Jim Harvey was there on Sunday morning and I finished up the day. In total, we sold 106 tickets for the weekend. Please help out when you have time or sell to your friends, neighbors and relatives.

We now have "fireballs" at the lounge.....Don't forget the free hotdogs on Tiger opening day and the regular beer \$1.00 for small draughts with each Tiger Home Run during the season. Will be having a special on Alaskan and also labatt bottles, ask the "bar tenders". Thanks to all! bear, (734) 459-6700 10:30 AM till 2 PM

Joy Road Pick Up on Saturday, April 25

Our first scheduled Wayne County Adopt-A-Road assignment is scheduled for Saturday, April 25. The other dates will be: Saturday, July 25, and Saturday, October 10. Wayne County chooses the dates that their trucks will be picking up the bagged trash.

This year marks our Chapter's 18th year with the responsibility of keeping Joy Road clean. There will be a sheet to sign up at our next VVA meeting on April 13. I will bring the donuts!

We will meet at the UAW Hall parking lot located on the southeast corner of Joy Road and Canton Center Road, at 8:30 A.M. We will most likely end up at Zack's in Plymouth for some good grub afterwards. Usually takes us about 1-1/2 hours to get the pick up done.
