Welcome Home!

**"Never Again Will One Generation
 of Veterans Abandon Another"**

President's Corner

Well, we have a new Commander in Chief. Let's support him like we have previous holders of that position whether we agree with them. After all, we are American Veterans who continue to serve our country and each other.

Regarding elections, we will have nominations for Chapter officers starting at our February meeting. The election will be at our April meeting. I will not be running for President again. It is time for a new leader. Please consider taking a leadership position in our Chapter.

Please read the articles in this newsletter. There is a lot of great information.

EUCHRE & SLIDERS

Wednesday Euchre & Sliders will continue every Wednesday until the Car Shows start next spring. As always, sliders will be cooked and served from 5:00PM-7:00PM with Euchre following. As always, Euchre will be first come, first served to get an even number of players so you should aim for a 6:30PM show up time. The cost is \$10 per person.

SHOOTOUT

February 16 will be the 1st of 2017's two Annual Poker Shootouts. If interested, let me know.

UPCOMING

Karaoke on the 1st and 3rd Friday. 2nd and 4th Friday, there is a new band performing. We'll be making our annual visit to the Michigan Veterans Foundation at their new Detroit location on January 31. We have a Chili Cookoff coming up on February 11, followed by the Lenten Fish Fries beginning March 3. For the latest lineup of all events, see the enclosed February calendar.

ELECTIONS

Beginning with the February membership meeting, nominations for all officer positions, as well as four BOD positions, will be taking place each month up to and including the April meeting when our annual election will take place. Why not throw your hat into the ring and offer up your talents for the good of the Chapter.

I'll see you at the February meeting. It's a great time to be a Veteran.

Odds & Ends

Membership

There were 3 applications for membership this past month. Robert Kuhlman and John Heraghty, both Army, have joined our chapter. Drew Koet has joined our associates. Welcome Bob, John and Drew to Chapter 528. Our current membership stands at 278 individual and 82 associate members. Of these we have 229 life VVA and 46 life AVVA members.

Lapsed Members: As of January 22, 2017 the following individuals have not renewed their membership:

VVA: none

AVVA: Kim Moscardelli, Tom Moscardelli, David Perez, Dave Randall

Dropped from Roster: Ron Jones, Charlie Kotcher

February VVA Renewals: Dan Dreger, Ed Hopkins, Pete Horning, Dick O'Hare, Doug Patterson, Vincent Petransky

February AVVA Renewals: Jan Spittler, Paul Tripp

If you have already renewed thank you. If you have not, please do so before the end of the month to keep your membership current.

Chapter Elections

Nominations for elected office begin at the February meeting and will continue in March and before the elections in April. If you are looking for a way to serve the chapter, please consider running for office. As a past president and vice-president I can tell you it is a rewarding experience and well within your expertise. We will also be electing delegates to the National convention this year. If you would like to run have a member nominate you or you can nominate yourself.

Life Memberships

Just a continuing reminder of the new AVVA membership fees. They are: age 60 and over - \$100, and 59 and under - \$175. Anyone over 60 who purchases a life membership must provide proof of age (copy of driver's license or birth certificate). The life membership fee for VVA members is \$100 regardless of age.

VFW Parking Lot

Anyone who has stopped by the post has I'm sure noticed the deteriorating condition of the parking lot. The VFW has recently established a parking lot fund to gather the necessary money needed to get the lot repaved. The cost is estimated between \$60,000 and \$80,000. Some donations have been received and the proceeds from certain post functions will be put in as well. Obviously this will not happen overnight. If you would like to contribute, your donation would be greatly appreciated and would also be charitable donation for tax purposes.

Chapter Raffle

There will be drawings at the February and March membership meetings. Just a reminder when you come to the meeting, make sure you put your name on the sign-in sheet. Entries for the drawing are taken from that sheet each month as well as providing a record of how many attend the meetings.

Chaplain's Corner

The Peace of God

I've labeled this month's article, "The Peace of God". I want to share with you an experience that I had in which I did feel God's peace on me.

As many of you enjoy a nap during the day, I was exhausted and proceeded to lie down. Instead of falling asleep, my mind was dwelling on my career in fluid power sales, and suddenly one of my lowest points in my life occupied my mind. Feelings of "having the rug pulled out from under me" was haunting me and how unfair this foreign company was to me after putting them on the map with two of the Big Three car companies.

I knew this would keep me from falling asleep, so I called out to my Savior, Jesus Christ, to take this negativity from me, dwelling on scripture that I have memorized for some time and I want to share that verse with you. In the book of Matthew, Chapter 28, Jesus tells us this: *"Come to Me, all who are weary and heavy-laden, and I will give you rest. Take My yoke upon you, and learn from Me. For I am gentle and humble in heart, and you shall find rest for your souls. For My yoke is easy, and My load is light."* It was obvious to me that calling out to Jesus to remove this negativity was quick and powerful.

When I went through this horrible time with this company, I read several chapters of the book of Psalms. King David went through some very low points in his life, when it appeared that he had several enemies that were after him and wanted him killed. So these Psalms are actually David crying out to God for safety and relief. If you are ever in this predicament, I would highly encourage you to pick up the Bible, and read from the Book of Psalms. You are not alone in this world, and God loves you more than any human being on this earth loves you! I would be glad to walk you through this if you'd like.

Chaplain's note: Wow, a very scary three weeks for Gary "Bear" Kubik and his family. But not as bad as we first heard. So I say "Praise the Lord" for Gary's quick recovery and for the doctors that were able to do the right things to get him back on his feet. With my wife Karen's hip replacement back on December 21, and me becoming a "care giver", I now have a lot of respect for those that are care givers. I had two of my high school classmates that were the primary care givers for

their wives that both died of cancer. It's an experience I would never wish to go through.

Every now and then, in the middle of the constant barrage of crap that's just pissing us all off these days, we come across a story, a feat, an event that just makes us stop in our tracks. This was one for me.

Cody Green was a 12-year boy in Indiana who was diagnosed with leukemia at 22 months of age. Cody loved the Marines, and his parents said he drew strength and courage from the Marine Corps. as he bravely fought the battle into remission three times. Although he was cancer-free at the time, the chemotherapy had lowered his immune system and he developed a fungus infection that attacked his brain.

Two weeks ago, as he struggled to fend off that infection in the hospital, the Marines wanted to show how much they respected his will to live, his strength, honor and courage. They presented Cody with Marine navigator wings and named him an honorary member of the United States Marine Corps.

For one Marine, that wasn't enough ... so that night, before Cody Green passed away, he took it upon himself to stand guard at Cody's hospital door all night long, 8 hours straight. Nowhere on the face of this planet is there a country as blessed as we to have men and women such as this.

"Keeper Of The Case"

As the volunteer of the keeper of our case with members pictures and other memorabilia on display I've run into a small but a very correctable problem. I need more room to hang pictures of our brothers that deserve the honor to be their with us all. So in order to place more pictures in I'll have to remove or condense what's in the case. Anything being removed (with all courtesy and respect) will be boxed and labeled for either future use or pick-up and placed in the hands of our officers. Maybe even the non-commissioned officers. Thank You All.

Volunteers Needed. Worth Repeating. This seems to be the theme when we embark on a project or an event. When pictures are placed in our great paper we see the same people at all the events or projects and that's a good thing. They have the knowledge of how it should take place and do a great job. But why no new peoples pictures. Do we not get new people to help? Maybe when someone new arrives to help they are taken around to the others and introduced, welcomed, made to feel this is just what I wanted to get into. Don't assume they know everyone that's working or just what needs to be done. Everyone was new at one time and maybe felt alone in the crowd. Let's not make that the case and maybe new volunteers will spring from the membership. We welcome all in, let's now welcome all their help (and a maybe picture.)

Valentines Day. Let's spring for a Valentines Day Cake for the February Meeting. We shall remember the Love of our Brothers, Present, Past and Future in just a little different way. Just a cake with Heart/Love.

The Bear's Den

From the Lounge, many new things have happened. We have an addition to the staff, Ann Marie has been welcomed to the bar staff.

We have 2 new machines for your enjoyment. The carpet has been professionally cleaned by Dennis Bielskis and his crew. The "Men's Auxiliary" made a great contribution to the bar with all the quartz and lighting under the bar. It really looks great. I just don't want my wife to see it since she wants new counter tops at home. Dennis has added much better lighting in the back of the bar and you can see it all at once.

We still have all of the programs and specials in the lounge. We're trying out mushrooms even and if they catch on they will be on our menu. As always, Superbowl Sunday will be GREAT.

We want to have more events in the lounge, so stop by and see us with ideas.

I want to thank Mike Schlott for filling in for me. I am glad to be coming back, not growing flowers yet... Thanks again..... Gary (BEAR) Kubik
